

Team Trip Permission Slip - Due December 15, 2017

I give my son/daughter _____ to attend the Spring MSCI Mackinac Forensics Tournament May 18, 2018 – May 20, 2018.

By signing this form I understand the following scheduling plans:

- My student will travel to Mackinaw City where they will then ride a ferry over to Mackinac Island
- My student will be staying at the Grand Hotel with the rest of the BCS team on Friday and Saturday night
- My student will return by ferry to Mackinaw City on Sunday, May 20 and then ride home to the designated location where a parent will be there to pick them up at approximately 1pm. The driver will instruct all students to inform parents throughout the trip home of their ETA.

By signing this form I understand and will advise my student to obey the following guidelines:

- You are representing the school and therefore all school policies apply.
- The schedule for the weekend is very packed. This is a school trip and therefore participating students are expected to follow the schedule. Other family members attending the tournament may opt to deviate from the schedule but it is preferred that they not pull their students out of the team schedule.
- Even though parents are attending, all concerns and questions should be cleared through Mrs. Bassett
